## **Report of tree plantation program arranged at Siddhant Institute of Computer Application**

Department of MCA presents one day event on **Tree Plantation on 5<sup>th</sup> July 2022**. Our college has successfully completed the event of Tree Plantation at College Campus. Trees are the foremost important source for producing the Oxygen in environment. They help to reduce the level of Carbon dioxide gas in the atmosphere. As we all know that the whole world is facing the problem of Global Warming and to recover from such problem planting the trees is become one of the most important aspects today.

The Tree Plantation Event was inaugurated by Prof. Nitin Shirao. He shared few words about importance of trees in the environment with the students. He planted two to three plants in the surrounding campus area and also watered the plants. Thereafter other teaching and non teaching staff together with great interest has plants more than 30 plants. The students of First Year and FSecond Year were also the Participants. The students also planted Neem tree, Mango tree, People tree, flowering plants and other shadow plants in the college ground.

The students and teachers selected the empty places and the roadside to plant saplings in a well-organized way. In order to restore the eco-balance of the forestation drive was taken with all seriousness. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings, and fenced them and watered the plants.

.Under the Guidance of Asst.Prof. Sarita Patil, Program Coordinator, volunteers planted more than 30 trees .The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.

This was the under the social responsibility onus. This move was highly regarded and appreciated by the management of CYMET's, Siddhant Institute of Computer Application .This staff member of SCMS and SIBM were present for this event and planted the trees. The student of BBA & BCA(SCMS) were present for this event and planted the trees. they actively involved in digging the soil and planting tree on the occasion of this event.

**Introduction:**

“Cleanliness is next to Godliness.” It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets, zero waste, dust free, plastic free and green. MCA students have organised cleanliness initiative taken to keep surrounding clean among community people residing Santaji Jagnade Maharaj at Sudumbare village under the guidance of Prof.Reshma Mavkar, Prof.Sarita Patil, Prof Sonali Pawar, Prof.Dnyaneshwar Jadhav

**CENTRAL OBJECTIVE:**

To contribute in swachh Bharat Abhiyan activity & undertake cleanliness drive

**ACTIVITIES:**

It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. Final year nursing students have organised rally to promote swachh Bharat mission. Mass awareness created with various slogan : “ ham sb ka aek nara- saaf sutra des hamara, sathi re hath batana- gandki ko he dur bhagana, apni mitti apna des- swachh Bharat swasth Bharat...etc. Shramdan activities also been carried out at various streets of Bhandara Dongar village. Students have encouraged community people to join in swachh Bharat activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean and also organized marathon for fit India

**CONCLUSION:**

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surrounding clean. Thus the students of Siddhant Institute of Computer Application have initiated one step towards- cleanliness”

**“CHHATRAPATI SHIVAJI MAHARAJ JAYANTI 2023”**

## **A REPORT ON“CHHATRAPATI SHIVAJI MAHARAJ JAYANTI 2023”**

Shiv Jayanti was started by Mahatma Jyotirao Phule in 1870 with the first ever event being held in Pune. Later Bal Gangadhar Tilak revived the image of Shivaji and worked to unite people against the British Raj through Shiv Jayanti.

Born on February 19, 1630 at Shivneri Fort in Pune, Shivaji managed to expand the influence of the Marathas over India through military forces, capturing and building forts and forming the Maratha navy. The warrior-king not only revived ancient Indian traditions and conventions, but also was instrumental in creating a progressive civil rule. He even promoted the usage of Marathi and Sanskrit, rather than Persian language, in court and administration. The date of his birth is celebrated as Shiv Jayanti every year.

Chhatrapati Shivaji Maharaj Jayanti, which is a festival and public holiday of the Indian state of Maharashtra, sees citizens celebrating the birth of the warrior king through various social and cultural programmers as well as through the organization of processions in his honor.
