Mock Interviews Report

Venue -Seminar Hall

From 14th February 2020, Mock Interviews were arranged for students of MCA. These interviews were conducted by Alumni mentors from the industry. The interviews were arranged individually by each mentor for the assigned group. The purpose of this activity was to get to know the technical competency level of the student and to understand professional interest. Also, career counseling and guidance was provided by the mentor to his/her mentees. Observations, remarks and suggestions (if any) were noted by the mentors and shared with the Training and Placement cell for further use. The same was shared with students to make them aware of their strengths and weaknesses and to prepare them for their careers in the future.
