**“CHHATRAPATI SHIVAJI MAHARAJ JAYANTI 2021-22”**

Shivajayanti has been organized at Siddhant Institute of Computer Application. This Shivajayanti is arranged by Siddhant Group of Institutions.

Shivajayanti was started by Mahatma Jyotirao Phule in 1870 with the first ever event being held in Pune. Later Bal Gangadhar Tilak revived the image of Shivaji and worked to unite people against the British Raj through Shiv Jayanti.

Born on February 19, 1630 at Shivneri Fort in Pune, Shivaji managed to expand the influence of the Marathas over India through military forces, capturing and building forts and forming the Maratha navy. The warrior-king not only revived ancient Indian traditions and conventions, but also was instrumental in creating a progressive civil rule. He even promoted the usage of Marathi and Sanskrit, rather than Persian language, in court and administration. The date of his birth is celebrated as Shivjayanti every year.

Chhatrapati Shivaji Maharaj Jayanti, which is a festival and public holiday of the Indian state of Maharashtra, sees citizens celebrating the birth of the warrior king through various social and cultural programmes as well as through the organization of processions in his honor.

### **Event Description:**

Siddhant Institute of computer Application, Sudumbare, as per NSS circular, Pune organized: **“Swachhata Pakhwada 2021”**

The main objective is to creating awareness among students that neither litter nor let others litter and keep their surroundings clean and hygienic.

### **Salient Features:**

I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year that is two hours per week, to voluntarily work for cleanliness. I will neither litter nor let others litter SWACHHTA PLEDGE. Mahatma Gandhi dreamt of an India which was not only free but also clean and developed. I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year that is two hours per week, to voluntarily work for cleanliness. I will neither litter nor let

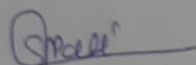

others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place. I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. With this firm belief, I will propagate the message of Swatchh Bharat Mission in villages and towns. I will encourage 100 other persons to take this pledge which I am taking today. I will endeavor to make them devote their 100 hours for cleanliness. I am confident that every step I take towards cleanliness will help in making my country clean.
