INDUCTION PROGRAM AY 2023-24 (SEMESTER I)

The objective of the program is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The time during the Induction Program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development. The induction program contained of interesting activities like motivational speech, team building activities, expert lectures, and campus orientation sessions etc. The rationale for induction was to ensure a smooth transition for the students into the university system. The following major activities under the induction program in which the students would be fully engaged throughout the day for the entire duration of program, this includes:

1. Physical activity: This would involve a daily routine of physical activity with games and sports which will help them to develop team spirit.
2. Proficiency Modules: Lectures on Basic English, Basic Mathematics, and Basic Computer Operation were conducted, and tests were taken to refresh the knowledge of the students. This lectures and tests were useful to recall and recollect the knowledge of the students.
3. Universal human values: It gets the student to explore on self and allows one to experience the joy of learning stand up to peer pressure, take decisions with courage etc.
4. Literary: Literary activities involved reading, writing, debating and enacting a play.
5. Lectures by Eminent People: This period can be utilized for lectures by eminent people to give the exposure to the students in various fields.

Faculty and student mentors from across programs worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

The one-week Induction Program which was held in Siddhant College of Computer Application, Pune from 8th September 2023 to 14th September 2023 was organized as per the directives

received from the AICTE, with a firm purpose to introduce the students to an experience that not only makes them comfortable in an all-new environment but also helps your overall development. Distinguished speakers and eminent people from varied backgrounds were invited to illuminate their minds while also pruning your health with various activities, before inculcating them with technical knowhows of various professional courses.

Siddhant Institute of Computer Application of First Year MCA, under the expert guidance of Mr. Nehul Kudale took the Induction Program activity very seriously since the importance of its implication was very well understood. Prof. Aarti Bhujbal, the coordinator of the cyber security along with Prof. Reshma Mavkar (Head of Department), Prof. Dnyaneshwar Jadhav arranged for prominent speakers. The extended team consisted of Prof. Sujata Albhar, Prof. Sarita Patil, Prof. Sonal Pawar who went beyond not only time constraints but also out of their comfort zone to execute the activities that really would benefit the students for their overall development. Mr. Nehul Kudale, proved to be a great help and was highly responsible for the smooth conduction of the sessions during the induction program. The responsibility of the very well executed HOD-Student interaction activity was taken up by the enthusiastic faculty members for smooth, branch oriented and timely implementation
