Report on Republic Day

India marks January 26 as its Republic Day every year. In 2024, the country is celebrating its 75th Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our university with great eclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the College Provost Mr.Madavre Sir hoists the flag on the Rai University campus. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, and dance on republic day theme by students as well as faculty members at the Siddhant Institute of Computer Application, Sudumbare. This event begins with flag hosting by Provost Sir then he speaks a few words about freedom fighters and corona warriors.These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.
