ANNEXURE I

STUDENT PERFORMANCE DASHBOARD

Student Performance Dashboard (SPD) has been designed to give the college management the real time visibility of performance of their students. College management will be able to do pin down the list of both types of students - the one who are doing well and can be potential candidates for most of the companies as well as the one who seeks more attention on their job preparation. This will help college increase their overall campus placements.

SPD will provide the dedicated report of students performance participating in various activities like Aptitude Test, Live Bootcamps and Industry Expert Sessions. Following insights can be drawn from the dashboard.

- Year & Department Wise Student Performance
- Detailed Aptitude Test Report: You can export the details of all the tests which includes students details along with their Marks, Accuracy Percentage, College Rank, Global Rank.
- Registration & Attendee Information of all the Live Bootcamps

Refer the Sample Dashboard - Click here

IMPORTANT: All Partner Colleges are required to share their campus details in the prescribed format at the time of MOU signing. Once college profile is created on our CRM with these details, we start enrolling the students. Once students are enrolled, they receive regular updates and links to participate in the various job preparation events.

Download the Spreadsheet: Click here <Copy of this sheet with your college data are to be submitted along with MOU>

Acknowledgement:

I hereby declare that I have attached all the details mentioned in the spreadsheet & all the provided details are correct.
